

Homework 2

Camera Angles

Using your own knowledge, discussions from lessons, the internet or even the help of your peers try to answer the following questions on camera angles.

1. In the table below can you name and describe five different camera angles then try to explain why they might be used? (maybe to make the character look stronger or weaker etc)

Name of Camera Angle	Description of Camera Angle	Possible Reason for Use

2. In the table below list the five camera angles you found above and use the internet or even a computerised sketch (in paint using stick drawings are fine) to show the camera in use in a film or animation.

Name of Camera Angle	Example of Camera Angle
