

Year 9 ICT Homework

Homework 1

Purpose of pre-production documents

The table below includes 4 pre-production documents they are all used for different purposes. Using what you already know, any revision material, the internet or discussion with your peers and classmates try to complete the table below.

Question	Script	Storyboard	Visualisation Diagram	Mind Map
What is the purpose of this document?				
What types of media might you associate with this type of pre-production document?				
Is it more closely linked to design or planning? Why do you think this?
