

## **Science Homework**

Students need to on a weekly basis access the websites below to support them with their learning in Science.

**KS3 BBC Bitesize** - select Biology, Chemistry or Physics and then scroll down to select a topic where the pupils can make revision notes, complete a short test or watch a video:

<https://www.bbc.co.uk/bitesize/subjects/zng4d2p>

**KS4 BBC Bitesize** - select Biology, Chemistry or Physics and then scroll down to select a topic where the pupils can make revision notes, complete a short test or watch a video:

<https://www.bbc.co.uk/bitesize/examspecs/z8r997h>

**Footprints-Science** - select Biology, Chemistry or Physics tab in the top left hand corner and then select the relevant topic:

<https://www.footprints-science.co.uk/>

**GCSE Video Tutorials** - scroll down to the required paper and select the topic:
