15<sup>th</sup> March 2021

Dear Parent/Carer,

We are delighted to have all the students return to the classroom to access their lessons as normal. As the students have been engaged in a period of remote learning it is important to identify the gaps your child may have in each subject. Therefore, the Academy have planned for all students to complete an assessment in each of their subjects during the **week beginning 22<sup>nd</sup> March**. The assessment will be based on the topic that was taught during remote learning in January. In some practical subjects such as Art and Design the students will be assessed on key knowledge and skills students have been taught last term to help identify the gaps students may have in the practical aspect of the subject.

The assessments will take place in the classroom during normal lesson time and students will not be required to prepare for the assessments. Following the assessments teachers will analyse the results and identify the gaps in the subject. The results will enable teachers to amend their curriculum plans to address the student gaps.

If you have any queries regarding the assessments that will take place please do not hesitate to email me at [psidhu@houghtonregisacademy.org](mailto:psidhu@houghtonregisacademy.org)

Yours sincerely,

P.Sidhu  
Vice Principal
